Report on National Voters' Day Celebration 2019

The Elite English Learners' Club of the Department of English, Ramco Institute of Technology, organized the **National Voters' Day Celebration** on **25 January 2019** with the objective of creating awareness about the importance of voting, democratic values, and responsible citizenship while enhancing students' English language and communication skills. As part of the celebration, two engaging competitions, **Elocution** and **Quiz on Democracy**, were conducted for students of all departments.

Students from First, Second, Third, and Fourth Year enthusiastically participated in the competitions. The events were thoughtfully designed to encourage students to understand the significance of electoral participation while improving their public speaking, vocabulary, critical thinking, and general awareness through interactive learning experiences.

The **Elocution** competition provided participants with an opportunity to express their views on topics related to democracy, voting rights, electoral responsibility, and the role of youth in nation-building. Participants demonstrated confidence, persuasive communication, and effective presentation skills while delivering their speeches. The **Quiz on Democracy** competition tested students' knowledge of the Constitution of India, the Election Commission of India, electoral processes, fundamental rights, and important milestones in India's democratic journey through a series of challenging rounds.

The competitions witnessed active participation, healthy competition, and remarkable enthusiasm from students across various disciplines. Participants displayed excellent communication skills, analytical thinking, teamwork, and a strong sense of civic responsibility throughout the programme. The celebration successfully created awareness about the value of informed voting while strengthening students' English language proficiency and leadership qualities.

The faculty members of the Department of English coordinated the competitions efficiently and ensured the smooth conduct of all activities. Winners were appreciated for their outstanding performances, and all participants were encouraged to become responsible citizens by actively participating in the democratic process and by continuing to enhance their communication skills through regular involvement in club activities.

The National Voters' Day Celebration concluded successfully, reinforcing the importance of democratic participation, responsible citizenship, and effective communication in shaping an informed and empowered society.
