Elite English Learners' Club

Report on Awareness and Orientation Programme on Scrabble Event

The **Elite English Learners' Club** organized an **Awareness and Orientation Programme on Scrabble** on **31 August 2019** with the objective of familiarizing students with the rules, strategies, and educational benefits of the Scrabble game.

The programme was attended by **47 students**. Faculty members explained the rules of Scrabble and demonstrated various techniques for improving vocabulary, spelling, and strategic thinking.

Interactive practice sessions enabled students to understand gameplay while improving their language skills. Participants enthusiastically engaged in friendly matches and discussions on effective word-building strategies.

The programme successfully prepared students for future Scrabble competitions organized by the club.
