Report on Creative Writing Competition 2019

The **Elite English Learners' Club** organized a **Creative Writing Competition** on **03 September 2019** to encourage students to express their ideas creatively while strengthening their English language skills.

Students from various departments enthusiastically participated in the competition. Participants wrote original stories, essays, and creative pieces based on interesting themes that encouraged imagination and originality.

The event provided an excellent platform for students to enhance their vocabulary, writing style, critical thinking, and creativity. Faculty members evaluated the entries based on originality, coherence, grammar, and presentation.

The competition concluded successfully with winners being appreciated for their outstanding literary skills, while all participants were encouraged to continue developing their creative writing abilities.
