Report on Heartfulness Essay Event 2019

The **Elite English Learners' Club** organized the **Heartfulness Essay Event 2019** on **16 September 2019** with the objective of promoting values, mindfulness, and self-reflection through essay writing.

Students participated enthusiastically by presenting essays on themes related to peace, self-development, emotional well-being, and positive living.

The event encouraged participants to organize their thoughts effectively, improve written communication, and express meaningful ideas with clarity and creativity.

Faculty members appreciated the thoughtful contributions made by students and encouraged them to continue participating in activities that promote both personal and academic growth.

The programme concluded successfully, reinforcing the importance of reflective thinking and effective written communication.
