Report on National Communication Skills Challenge 2019

The **Elite English Learners' Club** organized the **National Communication Skills Challenge 2019** in **December 2019** with the objective of strengthening students' communication, presentation, and interpersonal skills through a series of language-based activities.

The programme witnessed the participation of **100 students** from various departments.

Participants competed in activities focusing on public speaking, vocabulary, grammar, listening, teamwork, and effective communication. The event encouraged confidence, leadership, creativity, and critical thinking while providing an excellent platform for students to showcase their language abilities.

Faculty members coordinated the programme efficiently and appreciated the enthusiastic participation of all students. Winners were recognized for their outstanding performances, and participants were motivated to continue improving their communication skills.

The **National Communication Skills Challenge 2019** concluded successfully, reinforcing the importance of effective communication as an essential skill for academic, professional, and personal success.
