Funritz'19 Report

Elite English Learners' Club organized an event "Aladdin and the Magic lamp" for school students as a part of Funritz'19. The event was co-ordinated by M.Sudha, the President and S. Gokul, the Vice President. Almost 150 students from various schools participated in the event. The students were split into teams of five members. The preliminary round Dumb Charades was conducted, out of which 14 teams were shortlisted. The second round was Connections. Picture clues were displayed from which students had to find the appropriate word. The top 10 teams were scrutinized which entered the final round 'Treasure Hunt'. Students were given the hint of the first place from which they had to find the successive places relating the hint and had to reach the final destination. The team which came out first with the treasure was awarded with 1st prize. Students gave positive feedback that they enjoyed exploring the campus of RIT during Treasure Hunt. The event was a great succes
