Report on Star Songsters for Funritz '21

The **Elite English Learners' Club** of the Department of English, Ramco Institute of Technology, organized **Star Songsters for Funritz '21** from **22 February 2021 to 26 February 2021** with the objective of encouraging creativity, artistic expression, and confidence among school students through music and performance.

The event witnessed the enthusiastic participation of **64 external participants** from **IX to XII Standard**. Participants showcased their vocal talents by performing a variety of songs that reflected their creativity, confidence, and stage presence.

The programme provided an excellent platform for young learners to develop communication, performance, and presentation skills while promoting healthy competition and cultural appreciation.

The faculty members efficiently coordinated the event and appreciated the remarkable performances of all participants. Winners were recognized for their outstanding talent, while all participants were encouraged to continue nurturing their artistic abilities.

The event concluded successfully, celebrating music, creativity, and self-expression.
