

ADVANCED ENGLISH LEARNERS' CLUB

EVENT REPORT

Creative Scribble Competition

Academic Year: 2021–2022

Introduction

The **Advanced English Learners' Club**, Department of English, Ramco Institute of Technology, organized the **Creative Scribble Competition** on **10 November 2021** in the **Language Lab**. The competition was conducted to encourage students to express their creativity, imagination, and artistic talents through various forms of written and visual expression. It provided an excellent platform for students to showcase their original ideas and creative abilities while promoting the effective use of the English language.

Objectives

- To encourage creativity and original thinking among students.
 - To develop students' writing, artistic, and communication skills.
 - To provide a platform for showcasing literary and artistic talents.
 - To inspire students to express their ideas confidently through different creative mediums.
-

Event Description

The competition invited students from various departments to submit their original works in multiple creative categories. Participants enthusiastically contributed entries that reflected their imagination, artistic skills, and command of English. The submissions were evaluated by the faculty members of the Department of English based on creativity, originality, presentation, language usage, and overall impact.

The event witnessed active participation from students across Civil, CSE, ECE, EEE, and Mechanical Engineering departments, making it one of the most engaging literary events of the academic year.

Categories

The competition featured entries in the following categories:

- Poems (Free Verse, Haiku, etc.)
 - Articles (Essays, Short Stories, Narratives, etc.)
 - Humour (Funny Incidents, Experiences, Dialogues, etc.)
 - Sketches (Pencil Sketches, Oil Paintings, Cartoons, Pictorial Art, etc.)
 - Gallery (Photography with English as the theme)
 - Campus Portraits (Sketches of the Principal, Vice Principal, CEO, and Chairman)
-

Participation

Students from various departments enthusiastically participated in the competition.

Department-wise Participation

Department	Number of Participants
Civil Engineering	3
Computer Science & Engineering	4
Electronics & Communication Engineering	2
Electrical & Electronics Engineering	2
Mechanical Engineering	2
Total Participants	13

Highlights of the Event

- Students showcased exceptional creativity through literature, art, and photography.
 - The competition promoted innovation, imagination, and effective written communication.
 - Participants demonstrated originality in presenting their thoughts and ideas.
 - Selected entries were recommended for publication in the college annual magazine.
 - The event encouraged interdisciplinary participation and healthy creative competition among students.
-

Outcome

The Creative Scribble Competition successfully fulfilled its objective of nurturing students' literary and artistic talents. It motivated participants to think creatively, express themselves confidently, and develop their writing and artistic abilities beyond the classroom. The competition also strengthened students' appreciation for English as a medium for creative expression while providing recognition for outstanding contributions.

Conclusion

The **Creative Scribble Competition 2021** concluded successfully with enthusiastic participation from students across multiple departments. The event provided a meaningful platform for students to showcase their creativity through writing, sketching, and photography while encouraging originality and innovation. The Advanced English Learners' Club expresses its sincere gratitude to the management, Department of English, faculty members, and all the participants for their valuable support in making the event a memorable success.
