

# ADVANCED ENGLISH LEARNERS' CLUB

## EVENT REPORT

### Interdepartmental Scrabble T20 Championship

Academic Year: 2021–2022

---

#### Introduction

The **Advanced English Learners' Club**, Department of English, Ramco Institute of Technology, organized the **Interdepartmental Scrabble T20 Championship** on **21 March 2022** at the **Language Laboratory**. The championship was designed to enhance students' English vocabulary, spelling proficiency, critical thinking, and strategic word-building skills through an engaging and competitive learning experience. The event also encouraged interaction among students from various engineering departments while promoting the effective use of the English language.

---

#### Objectives

- To improve students' vocabulary and spelling skills through competitive gameplay.
  - To encourage logical thinking, analytical ability, and quick decision-making.
  - To promote teamwork and collaborative learning among students.
    - To foster healthy interdepartmental competition.
  - To create greater interest in English language learning through interactive activities.
- 

#### Event Description

The **Interdepartmental Scrabble T20 Championship** was conducted for students from **II to IV Year Engineering**. Participants registered as **teams of two members** from the same department. Department-wise preliminary rounds were organized to identify the best-performing team from each

department, which then qualified for the final interdepartmental championship.

The competition tested participants' vocabulary, spelling accuracy, strategic thinking, and time management. Throughout the championship, students demonstrated enthusiasm, competitive spirit, and excellent teamwork, making the event both educational and enjoyable.

---

### **Participation**

The championship was open to students from all engineering departments.

Students participated in teams of two, representing their respective departments in the preliminary and final rounds. The event witnessed active involvement from students across the institution, reflecting their interest in language-based academic competitions.

---

### **Department Coordinators**

The registration and coordination of participants were facilitated by the following departmental coordinators:

| <b>Department</b>                                  | <b>Coordinators</b>                                                                         |
|----------------------------------------------------|---------------------------------------------------------------------------------------------|
| <b>Civil Engineering</b>                           | S. Meenaa Bharathi (IV Civil), R. Rakavi (II Civil),<br>V.S. Priyadharshini (II Civil)      |
| <b>Computer Science &amp; Engineering</b>          | K. Sophiasree (III CSE), M. Harini (III CSE),<br>Harsha (II CSE), G. Lakshmi Priya (II CSE) |
| <b>Electrical &amp; Electronics Engineering</b>    | G. Dhana Bharathi Lakshmi (II EEE), B.<br>Jeyapadma (II EEE)                                |
| <b>Electronics &amp; Communication Engineering</b> | R. Shrinithi (II ECE-B), S. Suruthi (II ECE-B)                                              |
| <b>Mechanical Engineering</b>                      | G.R. Ragul (IV Mechanical-B), S. Pradeep Durai<br>(II Mechanical-B)                         |

### Highlights of the Event

- Students from various engineering departments enthusiastically participated in the championship.
  - The competition encouraged vocabulary enrichment through an enjoyable and intellectually stimulating format.
  - Participants demonstrated excellent teamwork, communication, and strategic word-building skills.
  - Department-wise preliminary rounds ensured fair and competitive selection for the interdepartmental finals.
  - The event promoted collaborative learning while strengthening students' command of the English language.
- 

### Outcome

The **Interdepartmental Scrabble T20 Championship** successfully fulfilled its objective of promoting English language proficiency through an innovative and interactive competition. Students enhanced their vocabulary, spelling accuracy, analytical thinking, and problem-solving abilities while developing teamwork and sportsmanship. The championship provided an effective platform for students to apply their language skills in a competitive yet enjoyable environment.

---

### Conclusion

The **Interdepartmental Scrabble T20 Championship 2022** concluded successfully with enthusiastic participation from students across various engineering departments. The event effectively combined learning with competition, encouraging students to expand their vocabulary, strengthen their communication skills, and develop strategic thinking abilities. The Advanced English Learners' Club extends its sincere appreciation to the Management, the Department of English, the departmental coordinators, faculty members, and all the participating students for their valuable support and cooperation in making the event a grand success.
