REPORT ON STUDENT INDUCTION PROGRAMME – 2024

Date(s): 05 September 2024 to 12 September 2024

Venue: Respective First-Year Classrooms, Ramco Institute of Technology

Organized by: Advanced English Learners' Club (AELC), Department of English

Participants: 229 First-Year Students

As a part of the **Student Induction Programme (SIP) 2024–2025**, the **Advanced English Learners' Club (AELC)** of the **Department of English**, Ramco Institute of Technology, conducted orientation sessions for the first-year students from **05 September 2024 to 12 September 2024**. The programme was organized under the **Clubs and Extracurricular Activities (SIP-8.1)** component of the institute's induction schedule and covered students from various engineering departments according to the allotted timetable.

The induction sessions introduced the newly admitted students to the objectives, vision, and activities of the **Advanced English Learners' Club (AELC)**. The faculty coordinators highlighted the importance of effective communication, language proficiency, leadership, teamwork, and personality development in enhancing students' academic and professional growth. Students were also briefed on the club's flagship events, including **Scrabble, Treasure Hunt, Anchorit, English Flair, Creative Scribble, Stellar**, and other language enrichment activities conducted throughout the academic year.

The interactive sessions encouraged students to actively participate in club activities, competitions, workshops, and literary events that foster confidence, creativity, and communication skills. Information regarding club membership,

participation opportunities, and the benefits of extracurricular involvement was also shared, motivating students to become active members of the AELC.

A total of **229 first-year students** participated in the induction programme.

The sessions received an enthusiastic response from the students and successfully familiarized them with the role of the **Advanced English Learners' Club (AELC)** in promoting language learning and holistic development. The programme concluded successfully, inspiring the students to actively engage in the club's activities and make effective use of the opportunities provided for their overall personality and communication skill development.
