MIC&MINGLE

Date: 28.04.2025

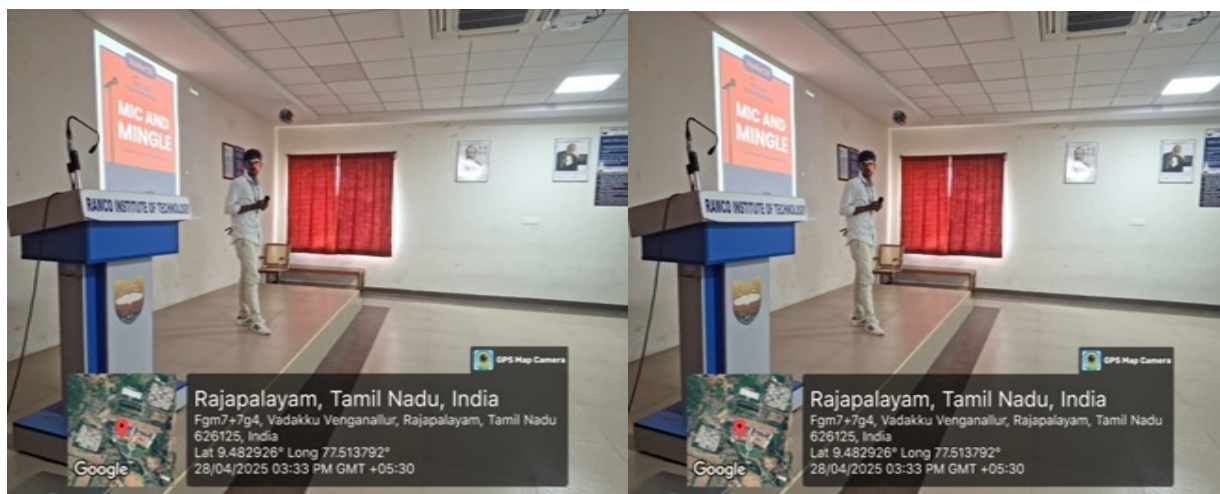

Total participants : 12 (CSE-3,ECE-5, AI&DS- 1, Mech-1, CSBS-2)

Brief Description:

A solo talent competition was conducted under the theme grab the mike and entertain the audience. The students showcased a variety of talents including stand-up comedy, singing, storytelling, magic, and more. A total of 12 students participated enthusiastically, and the audience responded with great interest and applause. The judging was done strictly based on the set criteria—creativity, stage presence, execution, audience engagement, and overall impact. Three winners were announced: the first prize went to a student who impressively solved a Rubik's Cube on stage, while the second and third prizes were awarded for outstanding singing performances.
