REPORT ON TREASURE HUNT – 2024

Date of Event: 13 September 2024

Time: 10:30 a.m. – 12:20 p.m.

Venue: Ramco Institute of Technology

Organized by: Advanced English Learners' Club (AELC), Department of English

Participants: 222 First-Year Students

As a part of the **Student Induction Programme 2024–2025**, the **Advanced English Learners' Club (AELC)** of the **Department of English**, Ramco Institute of Technology, organized a **Treasure Hunt** on **13 September 2024** as the culminating event of the induction programme. The event was designed to promote teamwork, logical thinking, communication, and problem-solving skills among the first-year students in an engaging and interactive manner.

The competition was conducted in **two rounds**. The **preliminary round** was held in **online mode**, where participants solved a series of questions and puzzles. Based on their performance, shortlisted teams advanced to the **final round**, which was conducted **offline** on the campus. The finalists worked collaboratively to solve clues and complete the treasure hunt by navigating through various checkpoints, demonstrating their analytical thinking, coordination, and effective communication.

A total of **222 first-year students** enthusiastically participated in the event.

The Treasure Hunt provided an enjoyable learning experience that encouraged active participation, fostered team spirit, and helped students interact with their peers in a friendly and competitive environment. The event concluded successfully with active involvement from all participants and effectively fulfilled its objective of making the Student Induction Programme both informative and engaging while introducing students to the collaborative learning culture of the institution.
