Academic Year: 2025-2026 (Even Semester)

Paper Presentation Competition (World Water Day 2026)

11.03.2026

In connection with World Water Day, The Institution of Engineers (India), Madurai Local Centre, has invited our institution to nominate a team for a Paper Presentation Competition on themes related to water conservation and sustainability. In line with this, the RIT-IE (I), the Eco Club, and the Advanced English Learners' Club are organizing a Paper Presentation Competition to shortlist the best team.

Theme: Water and Gender- "Where Water Flows, Equality Grows"

Related Topics: Water Resources / Water Conservation / Sustainable Water Management / Related Areas etc.

Date of Competition: 16.03.2026 (Monday)

Time: 9:30 AM

Venue: Control & Instrumentations Lab (EEE Department)

Eligibility & Certificates:

- Open to I-IV Year Engineering Students
- Two students per team
- Certificates for winners and participants.
- Register on or before: 13.03.2026

Presentation Rules

- Presentation time: 4 minutes
- Q&A: 1 minute

Notes

- The best team will represent RIT at the World Water Day Event (date will be announced later) at Madurai.
- The best presenters will be honoured and awarded during the World Water Day celebration on 23.03.2026 at 6.00 PM.

Dates of Event: 16.03.2026 and 17.03.2026

Total No. of Teams: 22

Total No. of Participants: 44

Introduction

Water is one of the most precious natural resources essential for life, health, development, and environmental sustainability. In order to create awareness among students about the importance of water conservation and sustainable water management, Ramco Institute of Technology organized a Paper Presentation Competition as part of the World Water Day 2026 celebration. The event was conducted under the global theme “Water and Gender – Where Water Flows, Equality Grows”, which emphasizes the strong interconnection between water accessibility, sanitation, equality, and social well-being. The competition provided a meaningful platform for students to present innovative ideas, technical solutions, and socially relevant perspectives related to water sustainability and environmental responsibility.

Objectives

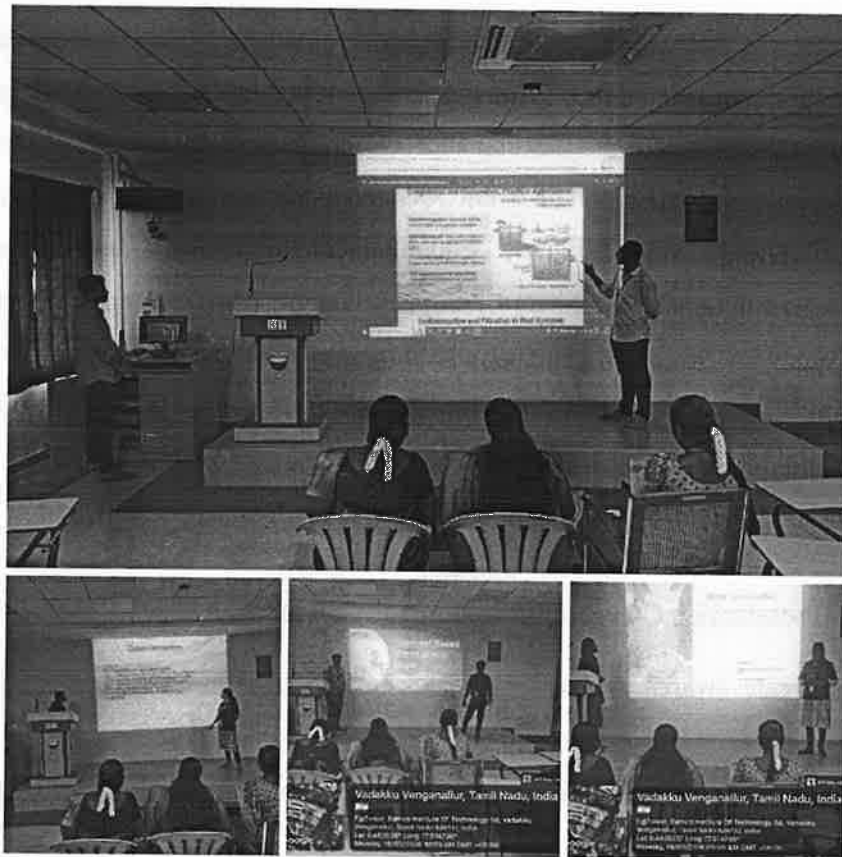

The Paper Presentation Competition was organized with the following objectives:

- To create awareness among students on the importance of water conservation and sustainable resource management
- To encourage students to explore innovative and practical solutions for water-related environmental challenges
- To promote understanding of the relationship between water access, social equity, and sustainable development

- To develop students' research aptitude, technical presentation skills, and scientific thinking
- To inspire students to become environmentally responsible and sustainability-conscious citizens

Report

As part of the World Water Day 2026 observance, Ramco Institute of Technology organized a Paper Presentation Competition on 16 March 2026 at 9:30 AM in the Control & Instrumentations Lab. The event was conducted successfully with active student participation and academic enthusiasm. A total of 44 students, forming 22 teams, participated in the competition. The students presented research-based and innovative papers on various topics related to water conservation, atmospheric water harvesting, resilience in water systems, water equity, and the role of women in water stewardship. The event served as an excellent academic platform for students to share ideas, strengthen their technical communication, and apply engineering knowledge to address pressing environmental and social concerns.

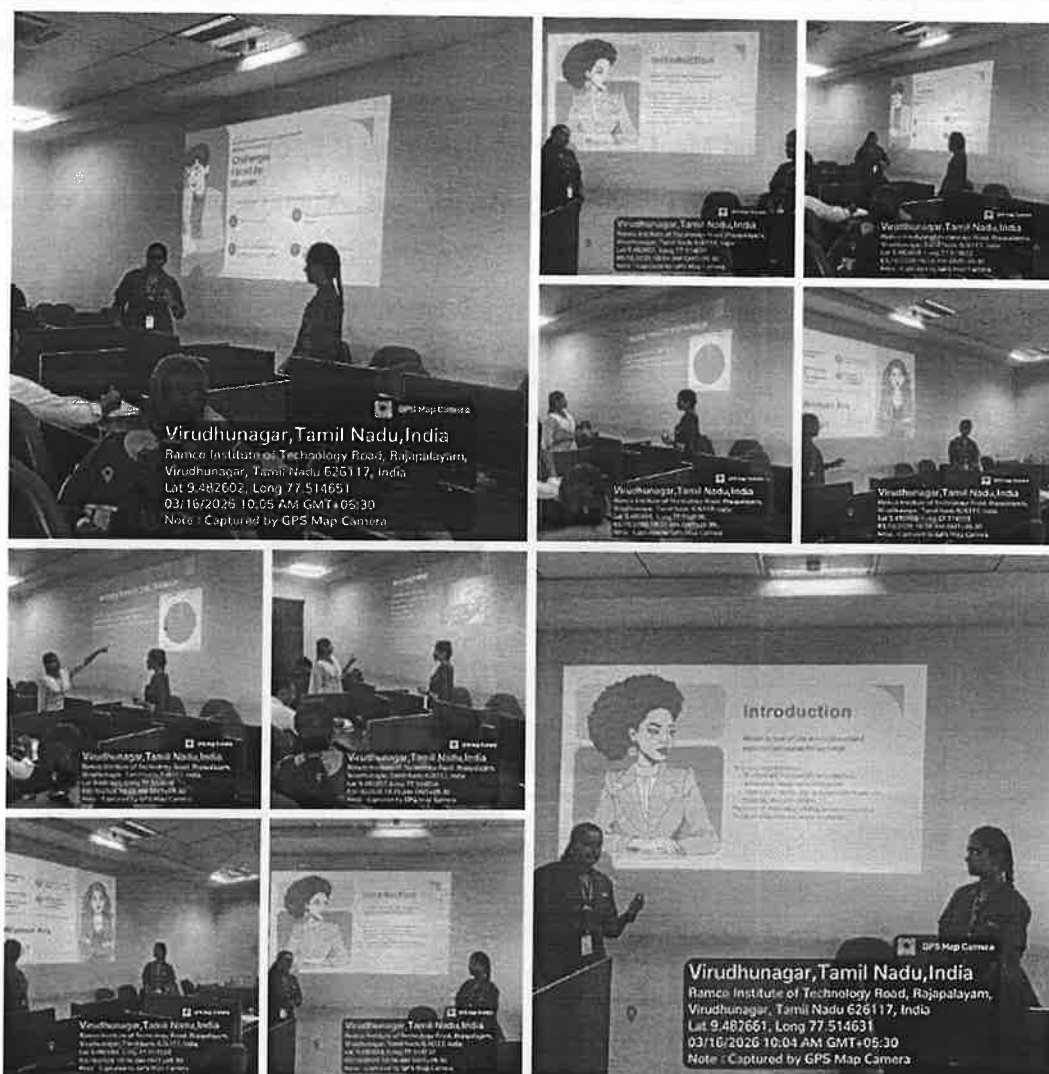

Event at EEE Seminar Hall

The competition was judged by an overall jury panel comprising faculty members from various departments across three venues. The presentations were evaluated based on originality, relevance to the theme, technical content, innovation, clarity of presentation, and response to questions. The event witnessed enthusiastic participation and healthy competition among students. Among the participating teams, Team IGNITE won the First Prize for their presentation titled “Hydrogel-Based Atmospheric Water Harvesting”, presented by Mr. S. G. Ajay and Mr. V. Srikanth, III Year B.E. EEE. Team Alpha Syndigate secured the Second Prize for their paper “Blue Green Resilience”, presented by Mr. A. Alagu Siva Sambath and Mr. R. Rishikeshwaran, II Year B.Tech. AI & DS-B. The Third Prize was shared by Team The Aqua Queens for the presentation “From Scarcity to Equality: The Gender Dimension of Water”, by Ms. R. Gopika and Ms. Lakshmi Praba, III Year B.E. ECE, and Team Blue Duo for “Women as Water Guardians”, presented by Ms. M. C. R. Akshaya and Ms. R. Deepika, I Year B.E. CSE-B.

Event at Language Laboratory

A proud highlight of the event was that Mr. S. G. Ajay and Mr. V. Srikanth, III Year B.E. EEE, who won the institutional first prize, further secured First Prize at The Institution of Engineers (India), Madurai Local Centre, thereby bringing laurels to the institution. The event was coordinated successfully by Dr. N. Revathi, Associate Professor, Chemistry, Dr. M. Anish Alfred Vaz, Associate Professor, English, and Ms. Jeyanthi, Assistant Professor – III, Department of EEE, whose efforts ensured the smooth conduct and success of the programme.

Event at Control and Instrumentation Laboratory

Outcome

The Paper Presentation Competition created a strong academic and environmental impact among students by encouraging them to think critically about water sustainability,

conservation, innovation, and social responsibility. The event enhanced students' research skills, presentation abilities, confidence, and awareness of sustainable development issues. It also helped students understand water as not only a scientific and environmental concern, but also a social issue closely connected with equality, dignity, and responsible citizenship. The programme significantly contributed to promoting eco-literacy, sustainability-oriented learning, and environmentally conscious thinking among students. The external achievement secured by the winning team further reflected the quality of student participation and the institution's commitment to nurturing innovative and socially responsible young engineers.

Overall Jury Panel

Venue I – Language Lab

- **Dr. G. Kanthimathi**, Professor, Chemistry
- **Dr. M. Anand**, Associate Professor, English
- **Dr. J. Jerold John Britto**, Associate Professor, Mechanical Engineering

Venue II – Control and Instrumentation Lab

- **Dr. M. Anish Alfred Vaz**, Associate Professor, English
- **Dr. N. Revathi**, Associate Professor, Chemistry
- **Mrs. G. Sivapriya**, Assistant Professor – II, EEE

Venue III – EEE Seminar Hall

- **Mrs. R. Kalaimani**, Assistant Professor – II, Civil Engineering
- **Dr. K. Leeladevi**, Assistant Professor – I, Chemistry
- **Mrs. S. Ranjitha**, Assistant Professor – I, English

Faculty Coordinators

- **Dr. N. Revathi**, Associate Professor, Chemistry
- **Dr. M. Anish Alfred Vaz**, Associate Professor, English
- **Ms. Jeyanthi**, Assistant Professor – III, EEE

Prize Winners – Paper Presentation Competition

First Prize

Team: IGNITE

Title: *Hydrogel-Based Atmospheric Water Harvesting*

- **Mr. S. G. Ajay** – III Year B.E. EEE
- **Mr. V. Srikanth** – III Year B.E. EEE

Second Prize

Team: Alpha Syndigate

Title: *Blue Green Resilience*

- **Mr. A. Alagu Siva Sambath – II Year B.Tech. AI & DS-B**
- **Mr. R. Rishikeshwaran – II Year B.Tech. AI & DS-B**

Third Prize

Team: The Aqua Queens

Title: *From Scarcity to Equality: The Gender Dimension of Water*

- **Ms. R. Gopika – III Year B.E. ECE**
- **Ms. Lakshmi Praba – III Year B.E. ECE**

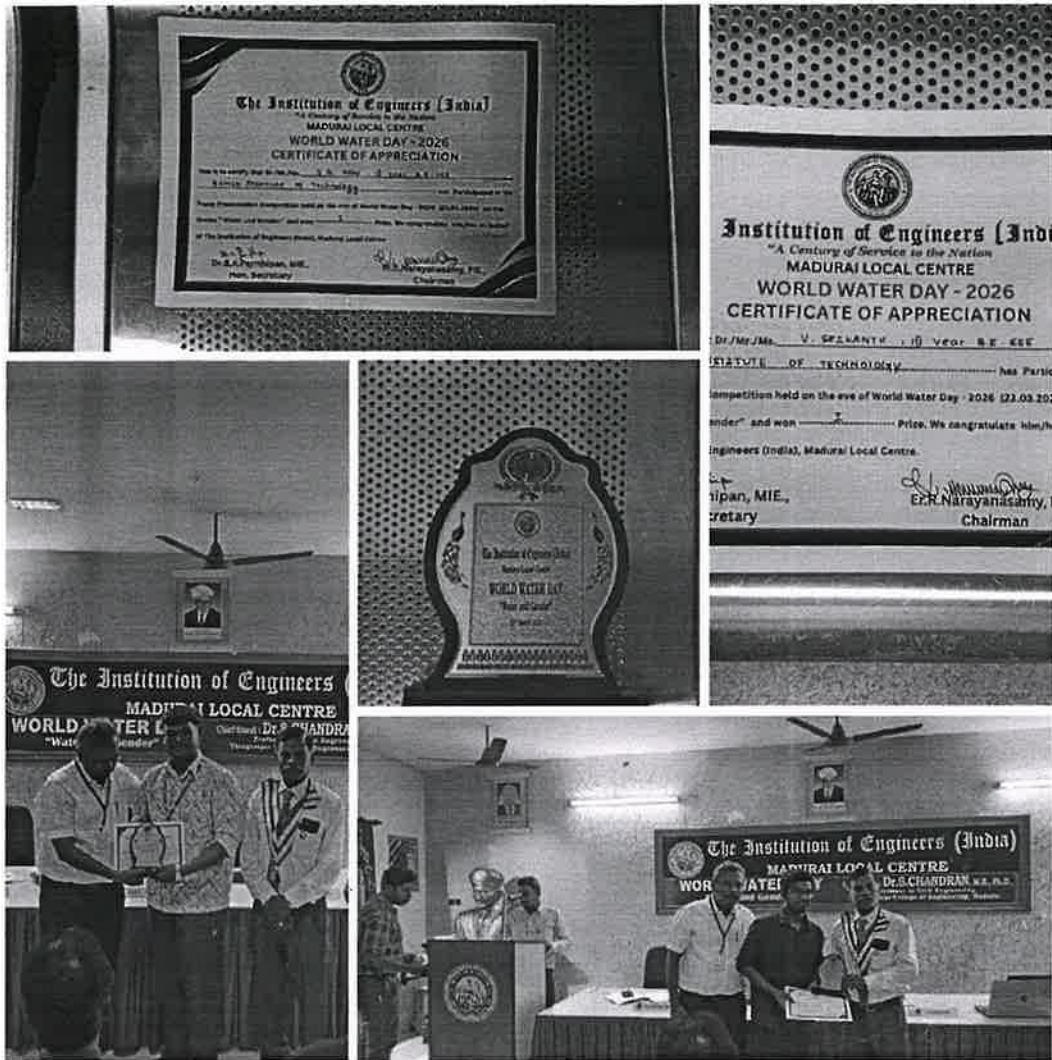

Team: Blue Duo

Title: *Women as Water Guardians*

- **Ms. M. C. R. Akshaya – I Year B.E. CSE-B**
- **Ms. R. Deepika – I Year B.E. CSE-B**

Special Achievement

Mr. S. G. Ajay and Mr. V. Srikanth, III Year B.E. EEE, who won the First Prize in the institutional-level competition, further brought laurels to the institution by securing First Prize at The Institution of Engineers (India), Madurai Local Centre.

Students are receiving First Prize at IE (I), Madurai
