Report on Scavenger Hunt Event

The Advanced English Learners' Club of Ramco Institute of Technology, Rajapalayam, organized a Scavenger Hunt competition for first-year B.E./B.Tech. students with the objective of fostering essential professional and interpersonal skills. The event was carefully designed to encourage teamwork, analytical thinking, leadership, and effective communication among participants.

Objectives of the Event

- To promote teamwork and collaborative learning.
- To enhance critical thinking and problem-solving abilities.
- To develop leadership and time management skills.
- To encourage effective communication in task-based environments.
- To provide experiential learning through engaging and interactive activities.

The event was conducted in two rounds: Preliminary (Screening) and Final. A total of 36 teams, with five members in each team, registered for the competition, resulting in an overall participation of 180 students.

The Preliminary Round was held online on 25.01.2026 to assess the logical reasoning and analytical skills of the participants. Based on their performance, the top eight teams were shortlisted for the final round.

The Final Round took place on 28.01.2026 and comprised a series of indoor activities and on-field riddles that required participants to apply strategy, coordination, and creative thinking. The event was conducted smoothly and witnessed enthusiastic participation from students.
