Department of English

Advanced English Learners' Club (AELC)

REPORT ON STUDENT INDUCTION PROGRAMME – 2025–2026

Dates: 25 August 2025 – 31 August 2025

Venue: Respective Classrooms, Seminar Halls, Shri PRR Hall, Ground, and other designated venues, Ramco Institute of Technology

Organized by: SIP Cell, Ramco Institute of Technology (with participation from the Advanced English Learners' Club under Club Activities)

Academic Year: 2025–2026

The **Student Induction Programme (SIP) 2025–2026** was conducted at **Ramco Institute of Technology** from **25 August 2025 to 31 August 2025** with the objective of helping first-year students adapt to the academic environment and become familiar with the institution's culture, facilities, academic practices, and extracurricular opportunities. The week-long programme was meticulously organized by the **SIP Cell** with the active support of various departments, administrative units, clubs, and faculty members.

The induction programme commenced with sessions on **academic registration**, a **virtual campus tour**, **department familiarization**, and **mentor–mentee interaction**, enabling students to understand the institutional framework and academic expectations. Throughout the programme, students attended sessions on the curriculum, outcome-based education, examination procedures, hostel and transport facilities, scholarship schemes, library services, Universal Human Values, placement activities, entrepreneurship, innovation, research opportunities, and career guidance.

The programme also emphasized the importance of holistic development through sessions conducted by various professional societies, technical associations, and institutional clubs. As part of the **Club Activities**, the **Advanced English Learners' Club (AELC)** introduced students to its vision, objectives, and language enrichment initiatives. The session highlighted opportunities for students to participate in activities such as **Scrabble**, **Treasure Hunt**, **Anchorit**, **English Flair**, **Creative Scribble**, **Stellar**, and other communication and literary events aimed at enhancing English language proficiency, creativity, leadership, and public speaking skills.

In addition to academic orientation, the induction programme included **sports and yoga sessions, extension and outreach activities, documentary film screenings, cultural events, guest lectures by eminent personalities, and local educational visits**, ensuring the all-round development of the students. The programme concluded with creative activities under **RIT First-Fest** and a feedback session, providing students with an opportunity to reflect on their induction experience.

The **Student Induction Programme 2025–2026** was successfully conducted with enthusiastic participation from all first-year students. The programme effectively familiarized the students with the academic ecosystem of Ramco Institute of Technology while encouraging them to actively engage in curricular, co-curricular, and extracurricular activities. The induction programme laid a strong foundation for the students' academic journey and inspired them to make meaningful contributions to the institution through active participation in clubs and campus initiatives, including the **Advanced English Learners' Club (AELC)**.
